

# Payer Guide

The student's guide to  
making international  
payments with Flywire

## Step 1: Get started

- Visit [www.flywire.com](https://www.flywire.com).
- Use the “I Want to Pay” button to select your institution.

The image shows the Flywire website homepage. At the top left is the Flywire logo. At the top right are navigation links: English, Receive Payments, How to pay, Help, and Login. The main heading is "International payments made easy" with the subtext "Convenient, secure, trusted worldwide". Below this are two buttons: "I WANT TO PAY" and "RECEIVE PAYMENTS". Under the "I WANT TO PAY" button is the text "Making an international payment through Flywire means peace of mind." Under the "RECEIVE PAYMENTS" button is the text "Save time and money receiving international payments with Flywire". Below these buttons is a city skyline at night. At the bottom, a text line reads "Providing flexible payment methods from 220 countries and territories supported by banking partnerships globally". Below this text is a row of logos for various payment methods and banks: VISA, Alipay (支付宝), Mastercard, UnionPay (银联), AMERICAN EXPRESS, Boleto, PayPal, J.P.Morgan, BARCLAYS, Deutsche Bank, citibank, and Bank of America.

## Step 2: Enter your country and payment amount

- Choose your home country from the drop-down menu.
- Enter the exact payment amount you owe.

### Tell us about your payment

You pay from

Your institution gets

## Step 3: Select your payment method

Based on your country selection, Flywire will automatically display your local currency rate with the appropriate payment options, such as traditional bank transfer or debit/credit card payment.

- Traditional bank transfer (also known as a wire) is the most cost-effective method. Please note that to complete the payment you will need to make arrangements with your bank (in person, online, or over the phone) and send your funds to Flywire in your chosen currency.
- Debit/credit card will allow you to make an online payment in your home currency. Contrary to a traditional international credit card payment, Flywire handles the foreign exchange so you will know the exact amount that will be deducted from your account before you make your payment. Please note that credit card payments are not available in every country.
- Flywire will then convert your currency and pay your institution.
- If you select your home country, but you don't see your home currency, don't worry — you can always pay in the currency of your institution or select a different currency by clicking the “I want to pay in another currency” link at the bottom of the page. Although the process and benefits will remain the same, your bank will handle the foreign exchange before sending the funds to Flywire.

### Select your preferred payment method
